

## Cookies Policy

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with the best experience when you browse our website and also allows us to collect statistical information to enhance site functionality and performance.

If you register with us or if you continue to use our website, you are agreeing to our use of cookies.

### What are cookies?

A cookie is a small file which asks permission to be placed on your computer's hard drive. Once you agree, the file is added and the cookie helps analyse web traffic or lets businesses know when you visit a particular site. Cookies allow web applications to respond to you as an individual.

Cookies help us provide you with a better website by enabling us to monitor the pages that you find useful and tailor our website to your needs, likes and dislikes by gathering and remembering information about your preferences.

The cookies that we use can't execute code or deliver any viruses. We only ever use cookies for:

- the essential function of our website;
- analytical purposes to provide you with a great client experience; and
- marketing, so that we serve you with content that's in line with your interests, based on your activity on our site.

We fully respect your privacy and provide you with the relevant information and tools so that you can manage your cookie preferences.

### Winstone Prime Policy

We use a number of cookies to provide you and other users with our products and services via our website and platform.

We categorise our cookies into the following groups:

- **Essential:** cookies which are essential to the functioning of our website and our products and services. This includes enabling you to complete trading account applications, remembering your login details, initiating web chat with our support team or other website functionality. If you disable these cookies you won't be able to fully access our trading platform.
- **Analytical:** cookies that allow us to improve our offering and website, enabling us to tailor the site to your personal preferences.
- **Marketing:** cookies that allow us to provide information to visitors on third party websites and measure the effectiveness of our marketing initiatives. We adhere to industry accepted best practice in respect of our use of marketing cookies.

### Cookies used by our websites:

- **Do not** store any personally identifiable information such as passwords.
- **Do not** access any other information stored on your computer.
- **Do not** compromise the security of your device(s).
- **Do** allow us to provide a service through which people can access their trading account(s).
- **Do** allow us to monitor the number of people using our website.
- **Do** allow us to see how people arrive at our website (for example, via search engine or via email).
- **Do** allow us to gather technical information about people using our website, such as their geographical location and the type of web browsers they are using.
- **Do** allow us to display advertisements on other websites to people who have previously accessed our websites (for example, banner ads). We can't identify individuals to whom these advertisements may be displayed.
- **Do** allow us to display content on our websites that is more relevant to you and your preferences based on the information we hold and your behavior on our website.
- **Do** allow our website to recall certain settings and preferences to make it easier to use our website.

### Your Cookie Preferences
